

Atlas Group, in order for atlas group to achieve the highest quality service, ensure the utmost care of the environment and promote the health of our workers, we work to establish as a minimum:

- **Customer satisfaction** based on a personalised provision of services. Atlas group will continue to provide an excellent and dedicated service to achieve the best results at the highest standards for our clients.
- Compliance with the requirements imposed by clients, as well as those of a legal nature in the areas of **quality**, the **environment** and any risk **prevention** applicable.
- The **continual improvement** of the quality of our services, the attitude towards the environmental impact generated by our work and the ongoing commitment to prevent any damage to the health of our employees.
- The **prevention of pollution** and make a responsible use of resources.
- The maintenance of a **competitive position** within the construction sector based on the trust and loyalty of our customers.
- The **reduction** of our **waste generation** and provide the **training** and **resources** to our staff in order to actively reduce waste.
- An **accident rate of zero**.
- **Remaining 100% committed to the needs of our clients**. To continue to devise tailor-made strategies which take into account all objectives of our clients.
- **To remain committed to our staff**. We believe in **our team** and **work** to maintain the atlas group **mentality** by supporting every member of the team from the builders to the architects and board members so that they feel a part of atlas group.
- **Turning a client's dream into reality**. Atlas group believe in **better designs**, **better builds** and a result that **supersedes all expectations**.
- That **Atlas Group** stands the test of time and is recognised for **quality**, **guarantee**, **service**, **care** and **client satisfaction**.

The Management of Atlas Project Management, S.L periodically review the Management Policy to ensure that it remains relevant and appropriate and provide objectives and viable goals to deploy this policy, with the intent of constantly improving the Management System.

This Policy is mandatory for all personnel of Atlas Project Management, S.L and will be publicly available to all interested parties.
